## Easter

Chirping birds, bouncing bunnies and brightly coloured eggs announce the arrival of Easter. Delight in new items from räder that will have your customers full of the joys of spring and allow them to beautify their homes with unique, elaborate and classic designs.

**unmistakeable** · Created in small factories, the artisan handiwork is clearly visible in our one-of-a-kind objects. Every product is made by our dedicated in-house design team to add a touch of beauty to your home.

**surprising** · Innovative ideas and fascinating details mean there is always something to marvel at. räder products can be endlessly expanded and reinterpreted depending on the season.

**touching** · The gesture and the significance associated with the products is what makes them so precious and special. At the same time, the material brings us and others great joy, enticing and inspiring us when choosing the item and again when giving it.

Delicate shapes, golden embellishments and detailed embossings. Discover our new Easter collection.
